10XTECHCLUB

BE BRILLIANT, BE LIMITLESS

A Categorized List of National and International Competitions for Students

163 competitions across 11 categories

What is 10xTechClub?

10xTechClub is a hands-on STEM learning and technology education centre in Pune, India, empowering students to explore emerging technologies, build real-world projects, and develop future-ready skills. Through experiential, project-based learning, students explore Robotics, Artificial Intelligence (AI), Coding, Electronics, Python, Data Science & Analytics, 3D Design & Printing, IoT, Drones, SpaceTech and other emerging fields of innovation including Startups & Entrepreneurships.

For more details and the latest updates, visit the webpage of this handbook: 10xtechclub.com

Robotics & Engineering	31 competitions
Science & Research	12 competitions
Mathematics & Olympiads	16 competitions
Coding & Computational Thinking	17 competitions
Artificial Intelligence	11 competitions
Innovation & Design	11 competitions
Entrepreneurship	15 competitions
Space & Astronomy	18 competitions
Drones & Autonomous Systems	10 competitions
Game Development & Interactive Technology	18 competitions
National & Academic Competitions	15 competitions

Please note: Competition details change every year. Difficulty stars are editorial estimates, not official ratings. Before registering, check dates, eligibility, and fees on the official website. A competition listed under more than one category appears on each of those category pages.

Robotics & Engineering

31 competitions

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
FIRST LEGO League Explore	International	6–10 Years	Team	★☆☆☆☆	Robotics & Engineering	Young beginners exploring STEM	https://firstinspires.org/programs/fll/
FIRST LEGO League Challenge	International	9–16 Years	Team	★★☆☆☆	Robotics & Engineering	Robotics, teamwork & innovation	https://www.first-lego-league.org/en/divisions/challenge
World Robot Olympiad (WRO)	National → International	8–19 Years	Team	★★★☆☆	Robotics & Engineering	Robotics & autonomous programming	https://wro-association.org
Robotex India	National → International	7–18 Years	Team	★★★☆☆	Robotics & Engineering	Robotics & innovation pathway	https://robotex-india.in
Robotex International	International	Open to all	Team	★★★★☆	Robotics & Engineering	Global robotics competition	https://robotex.international
FIRST Tech Challenge (FTC)	International	12–18 Years	Team	★★★★☆	Robotics & Engineering	Engineering & advanced robotics	https://firstinspires.org/programs/ftc/
FIRST Robotics Competition (FRC)	International	14–18 Years	Team	★★★★★	Robotics & Engineering	Industrial-scale robotics	https://firstinspires.org/programs/frc/
FIRST Global Challenge	International	14–18 Years	Team	★★★★★	Robotics & Engineering	Representing your country	https://first.global
MakeX Robotics Competition	International	6–18 Years	Team	★★★☆☆	Robotics & Engineering	Robotics, AI & innovation	https://makex.cc
VEX IQ	International	5–14 Years	Team	★★☆☆☆	Robotics & Engineering	Beginner robotics pathway	https://events.vex.com/robot-competitions/vex-iq-competition
VEX V5 Robotics Competition	International	11–18 Years	Team	★★★★☆	Robotics & Engineering	Advanced engineering	https://vexrobotics.com/v5/competition
VEX U	International	18–22 Years	Team	★★★★★	Robotics & Engineering	University robotics	https://events.vex.com
RoboCup Junior	International	10–19 Years	Team	★★★★☆	Robotics & Engineering	Autonomous robotics & AI	https://junior.robocup.org

Disclaimer: Informational list only; 10xTechClub does not endorse these competitions. Verify all details on official websites.

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
Technoxian World Robotics Championship	International	6–22 Years	Individual / Team	★★★★☆	Robotics & Engineering	Multi-domain robotics	https://technoxian.com
BEST Robotics	International (US-based)	14–18 Years	Team	★★★☆☆	Robotics & Engineering	Engineering design	https://bestrobotics.org
Botball	International	11–18 Years	Team	★★★★☆	Robotics & Engineering	Autonomous robotics programming	https://kipr.org/botball
Junior Botball	International	5–14 Years	Team	★★☆☆☆	Robotics & Engineering	Introductory autonomous robotics	https://www.kipr.org/jr-botball
Robofest	International	5–18 Years	Individual / Team	★★★☆☆	Robotics & Engineering	Creative robotics challenges	https://robofest.net
International Robot Olympiad (IRO)	International	Grades 3–12 (8–18 Years)	Individual / Team	★★★☆☆	Robotics & Engineering	Robotics & engineering	https://www.iroc.org
National Robotics Challenge	International (US-based)	6–24 Years	Individual / Team	★★★☆☆	Robotics & Engineering	Practical robotics engineering	https://nationalroboticschallenge.org
FIRA RoboWorld Cup	International	6–22 Years	Team	★★★★☆	Robotics & Engineering	AI & autonomous robotics	https://firaworldcup.org
EARLY Robotics Competition	International	5–11 Years	Team	★☆☆☆☆	Robotics & Engineering	Early robotics learning	http://earlyrobotics.org
GEAR Robotics Competition	International	6–18 Years	Team	★★☆☆☆	Robotics & Engineering	Engineering fundamentals	https://gears.org.in/international-competitors/
RoboGames	International	Open to all	Individual / Team	★★★★☆	Robotics & Engineering	Open robotics competition	http://robogames.net/index.php
RoboExpo Competition	International	6–22 Years	Individual / Team	★★★☆☆	Robotics & Engineering	Robotics exhibition & contests	https://robo-expo.org
Combat Robotics Events	International	18 Years & Above	Individual / Team	★★★★☆	Robotics & Engineering	Combat robotics	https://robotcombatevents.com

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
MATE ROV Competition	International	11–22 Years	Team	★★★★☆	Robotics & Engineering	Underwater robotics	https://marinetech.org
International Autonomous Underwater Vehicle Competition	International	18–22 Years	Team	★★★★★	Robotics & Engineering	Autonomous underwater vehicles	https://robosub.org
Sea, Air and Land Challenge	International	14–18 Years	Team	★★★☆☆	Robotics & Engineering	Multi-domain engineering	https://seaairland.psu.edu
Moon to Mars Ice & Prospecting Challenge	International	14–22 Years	Team	★★★★☆	Robotics & Engineering	Space robotics concepts	https://nasa.gov/centers-and-facilities/langley/moon-to-mars-ice-and-prospecting-challenge-aims-to-break-through-more-than-just-ice/
Western Canadian Robot Games	International	6–18 Years	Team	★★★☆☆	Robotics & Engineering	Robotics competitions	https://westerncanada.cbe.ab.ca/news/western-canada-robotics-club-2025-2026-

Science & Research 12 competitions

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
IRIS National Fair	National → International	Grades 8–12 (13–18 Years)	Individual / Team	★★★★☆	Science & Research	Scientific research projects	https://irisnationalfair.org
Regeneron International Science and Engineering Fair (ISEF)	International	Grades 9–12 (14–18 Years)	Individual / Team	★★★★★	Science & Research	Advanced scientific research	https://societyforscience.org/isef
Genius Olympiad	International	14–18 Years	Individual	★★★★☆	Science & Research	Environmental science & sustainability	https://geniusolympiad.org
Stockholm Junior Water Prize	International	15–20 Years	Individual / Team	★★★★☆	Science & Research	Water research & sustainability	https://siwi.org
International Conference of Young Scientists (ICYS)	International	14–18 Years	Individual	★★★★☆	Science & Research	Original scientific research	https://icysconference.com
London International Youth Science Forum (LIYSF)	International	16–21 Years	Individual	★★★★☆	Science & Research	Exposure to global science & research	https://liysf.org.uk
National Children's Science Congress (NCSC)	National	10–17 Years	Individual / Team	★★★☆☆	Science & Research	Grassroots scientific research	https://ncsc.co.in
INSPIRE Awards – MANAK	National	Grades 6–10 (11–16 Years)	Individual	★★☆☆☆	Science & Research	Innovation & scientific thinking	https://inspireawards-dst.gov.in
Junior Science & Humanities Symposium (JSHS)	International (US-based)	14–18 Years	Individual	★★★★☆	Science & Research	STEM research presentations	https://jshs.org
Thermo Fisher Scientific Junior Innovators Challenge	International (US-based)	11–14 Years	Individual	★★★★☆	Science & Research	Research & innovation	https://societyforscience.org/jic/

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
Broadcom MASTERS	International	11–14 Years	Individual	★★★★☆	Science & Research	STEM research	https://societyforscience.org/broadcom-masters/
Earth Science Olympiad (National Selection)	National → International	14–18 Years	Individual	★★★★☆	Science & Research	Earth sciences	https://www.geosocindia.org/index.php/ieso/

Mathematics & Olympiads 16 competitions

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
Indian National Mathematical Olympiad (INMO)	National	14–18 Years	Individual	★★★★★	Mathematics & Olympiads	Advanced problem solving	https://olympiads.hbcse.tifr.res.in/mathematical-olympiad-2026-2027/
International Mathematical Olympiad (IMO)	International	14–18 Years	Individual	★★★★★	Mathematics & Olympiads	Advanced mathematics	https://www.imo-official.org
Indian Olympiad Qualifier in Mathematics (IOQM)	National	Grades 8–12 (13–18 Years)	Individual	★★★★☆	Mathematics & Olympiads	National Olympiad pathway	https://ioqm.mtai.org.in
International Mathematics Competition (IMC)	International	14–22 Years	Individual	★★★★☆	Mathematics & Olympiads	Higher mathematics	https://imc-math.org.uk
American Mathematics Competitions (AMC 8/10/12)	International	Grades 6–12 (11–18 Years)	Individual	★★★★☆	Mathematics & Olympiads	Mathematical reasoning	https://maa.org/student-programs/amc/
American Invitational Mathematics Examination (AIME)	International	14–18 Years	Individual	★★★★★	Mathematics & Olympiads	Olympiad preparation	https://maa.org/maa-invitational-competitions/
Kangaroo Math Competition	International	Grades 1–12 (6–18 Years)	Individual	★★☆☆☆	Mathematics & Olympiads	Logical thinking	https://mathkangaroo.org
SASMO (Singapore & Asian Schools Math Olympiad)	International	Grades 2–12 (7–18 Years)	Individual	★★★☆☆	Mathematics & Olympiads	Competitive mathematics	https://simcc.org
SEAMO (Southeast Asian Mathematical Olympiad)	International	Grades 1–12 (6–18 Years)	Individual	★★★☆☆	Mathematics & Olympiads	Problem solving	https://seamo-official.org

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
HKIMO (Hong Kong International Mathematical Olympiad)	International	6–18 Years	Individual	★★★☆☆	Mathematics & Olympiads	International mathematics	https://hongkongimo.com/
World Mathematics Invitational (WMI)	International	6–18 Years	Individual	★★★★☆	Mathematics & Olympiads	International mathematics challenge	https://wminv.org
International Youth Math Challenge (IYMC)	International	14–22 Years	Individual	★★★☆☆	Mathematics & Olympiads	Open mathematics competition	https://iymc.info
Caribou Mathematics Competition	International	Grades 3–12 (8–18 Years)	Individual	★★☆☆☆	Mathematics & Olympiads	Mathematical thinking	https://caribou tests.com
Purple Comet! Math Meet	International	11–18 Years	Team	★★★☆☆	Mathematics & Olympiads	Collaborative problem solving	https://purplecomet.org
National Financial Olympiad (NFO)	National	10–18 Years	Individual	★★★☆☆	Mathematics & Olympiads	Finance & Financial Literacy	https://nationalfinanceolympiad.com
International Finance Olympiad (IFO)	International	13–17 Years	Individual / Team	★★★★☆	Mathematics & Olympiads	Finance, Economics & Analytical Reasoning	https://finance-olympiad.com

Coding & Computational Thinking 17 competitions

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
Codeavour International	International	7–18 Years	Team	★★☆☆☆	Coding & Computational Thinking	Beginners, AI & innovation projects	https://codeavour.org
International Collegiate Programming Contest (ICPC)	International	18–22 Years	Team	★★★★★	Coding & Computational Thinking	Advanced algorithms & programming	https://icpc.global
TCS CodeVita	International	18–24 Years	Individual	★★★★☆	Coding & Computational Thinking	Programming & problem solving	https://www.tcscodevita.com
Meta Hacker Cup	International	18 Years & Above	Individual	★★★★★	Coding & Computational Thinking	Advanced competitive programming	https://www.facebook.com/codingcompetitions
Google Summer of Code	International	16 Years & Above	Individual	★★★★★	Coding & Computational Thinking	Algorithmic programming (historical)	https://summerofcode.withgoogle.com
Google Kick Start	International	16 Years & Above	Individual	★★★★☆	Coding & Computational Thinking	Competitive programming (historical)	https://blog.google/innovation-and-ai/technology/developers-tools/join-kick-start-a-coding-competition-for-all-levels/
The Big Code 2026	International	18 Years & Above	Team	★★★★☆	Coding & Computational Thinking	Team-based programming (historical)	https://rsvp.withgoogle.com/events/the-big-code-2026/home?pli=1
USACO (USA Computing Olympiad)	International	6–18 Years	Individual	★★★★☆	Coding & Computational Thinking	Algorithms & Olympiad preparation	https://usaco.org
Indian Olympiad in Informatics (IOI Pathway)	National → International	5–20 Years	Individual	★★★★★	Coding & Computational Thinking	National selection for IOI	https://www.iarcs.org.in

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
International Olympiad in Informatics (IOI)	National → International	5–20 Years	Individual	★★★★★	Coding & Computational Thinking	Elite programming pathway	https://ioinformatics.org
Bebras Challenge	International	Grades 3–12 (8–18 Years)	Individual	★☆☆☆☆	Coding & Computational Thinking	Computational thinking	https://bebras.org
ACSL (American Computer Science League)	International	6–18 Years	Individual / Team	★★★☆☆	Coding & Computational Thinking	Programming fundamentals	https://www.acsl.org
HackerRank Coding Contests	International	6–24 Years	Individual	★★★☆☆	Coding & Computational Thinking	Coding practice & competitions	https://hackerrank.com
CodeChef Starters & Contests	International	6–24 Years	Individual	★★★☆☆	Coding & Computational Thinking	Competitive programming	https://codechef.com
LeetCode Contests	International	18 Years & Above	Individual	★★★★☆	Coding & Computational Thinking	Interview-level programming	https://leetcode.com
AtCoder Contests	International	Open to all	Individual	★★★★☆	Coding & Computational Thinking	Algorithmic programming	https://atcoder.jp
Codeforces Rounds	International	Open to all	Individual	★★★★★	Coding & Computational Thinking	Advanced algorithms	https://codeforces.com

Artificial Intelligence 11 competitions

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
International Olympiad in Artificial Intelligence (IOAI)	International	14–18 Years	Individual	★★★★★	Artificial Intelligence	Advanced AI & machine learning	https://ioai-official.org
WAICY (World Artificial Intelligence Competition for Youth)	International	6–18 Years	Individual / Team	★★★☆☆	Artificial Intelligence	AI innovation & creativity	https://waicy.org
Codeavour AI Innovation Challenge	International	7–18 Years	Team	★★☆☆☆	Artificial Intelligence	AI beginners & innovation	https://codeavour.org
Technovation Girls	International	8–18 Years	Team	★★★☆☆	Artificial Intelligence	AI-powered social impact apps	https://technovationchallenge.org
Microsoft Imagine Cup	International	18–22 Years	Team	★★★★★	Artificial Intelligence	AI product development	https://imagine.microsoft.com
Google Solution Challenge	International	18–22 Years	Team	★★★★☆	Artificial Intelligence	AI for Sustainable Development Goals	https://developers.google.com/community/gdsc-solution-challenge
Kaggle Competitions	International	18 Years & Above	Individual / Team	★★★★★	Artificial Intelligence	Machine learning & data science	https://kaggle.com/competitions
AI for Good Innovation Competitions	International	6–22 Years	Individual / Team	★★★★☆	Artificial Intelligence	Ethical AI & social impact	https://aiforgood.itu.int
NVIDIA Student AI Competitions	International	6–22 Years	Individual / Team	★★★★☆	Artificial Intelligence	Deep learning & computer vision	https://developer.nvidia.com/student-network
Intel AI Global Impact Festival	International	6–22 Years	Individual / Team	★★★☆☆	Artificial Intelligence	AI innovation & real-world impact	https://intel.com/content/www/us/en/corporate/artificial-intelligence/impact-festival.html
Indian National AI Olympiad (INAIO)	National → International	Grades 9–12 (14–18 Years)	Individual	★★★★☆	Artificial Intelligence	India's national pathway into IOAI	https://manageexam.com/INAIO2026External/

Innovation & Design

11 competitions

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
Conrad Challenge	International	13–18 Years	Team	★★★★☆	Innovation & Design	Innovation, product design & entrepreneurship	https://conrad.spacecenter.org
Samsung Solve for Tomorrow - India	National	14–22 Years	Individual / Team	★★★★☆	Innovation & Design	Social innovation & technology	https://samsung.com/in/solvefortomorrow/
Samsung Solve for Tomorrow - Global	International	6–18 Years	Individual / Team	★★★★☆	Innovation & Design	Social innovation & technology	https://csr.samsung.com/en/program/samsung-solve-for-tomorrow
INSPIRE Awards – MANAK	National	Grades 6–10 (11–16 Years)	Individual	★★☆☆☆	Innovation & Design	Grassroots innovation & scientific thinking	https://inspireawards-dst.gov.in
James Dyson Award	International	18 Years & Above	Individual / Team	★★★★☆	Innovation & Design	Engineering & product innovation	https://www.jamesdysonaward.org
Red Bull Basement	International	18–22 Years	Individual / Team	★★★★☆	Innovation & Design	Technology-driven innovation	https://redbull.com/basement
iGEM (International Genetically Engineered Machine Competition)	International	14–22 Years	Team	★★★★★	Innovation & Design	Biotechnology & synthetic biology innovation	https://igem.org
Earth Prize	International	13–19 Years	Team	★★★☆☆	Innovation & Design	Climate innovation	https://theearthprize.org
Young Inventors Prize	International	6–30 Years	Individual / Team	★★★☆☆	Innovation & Design	Inventive thinking & problem solving	https://younginventorsprize.org
Global Innovation Challenge (Various Editions)	International	6–22 Years	Individual / Team	★★★☆☆	Innovation & Design	Creative problem solving	https://globalinnovationchallenge.org
Design For Change India – I CAN School Challenge	National → International	6–18 Years	Team	★★☆☆☆	Innovation & Design	Real-world problem solving through design thinking	https://designforchangeindia.com

Entrepreneurship 15 competitions

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
Technovation Girls	International	8–18 Years	Team	★★★☆☆	Entrepreneurship	Technology entrepreneurship & social impact	https://technovationchallenge.org
Diamond Challenge	International	14–18 Years	Team	★★★★☆	Entrepreneurship	Startup creation & business strategy	https://diamondchallenge.org
Conrad Challenge	International	13–18 Years	Team	★★★★☆	Entrepreneurship	Innovation commercialization	https://conrad.spacecenter.org
Blue Ocean Student Entrepreneur Competition	International	14–18 Years	Individual / Team	★★★★☆	Entrepreneurship	Startup ideas & entrepreneurship	https://blueoceancompetition.org
Microsoft Imagine Cup	International	18–22 Years	Team	★★★★★	Entrepreneurship	Technology startups & innovation	https://imagine.microsoft.com
Hult Prize	International	18–22 Years	Team	★★★★★	Entrepreneurship	Social innovation & entrepreneurship	https://hultprize.org
Young Tycoons Business Challenge	International	6–18 Years	Team	★★★☆☆	Entrepreneurship	Business planning & pitching	https://joinytbc.eduswami.com
NFTE World Series of Innovation	International	13–24 Years	Individual / Team	★★★☆☆	Entrepreneurship	Innovation & entrepreneurial thinking	https://innovation.nfte.com
TiE Young Entrepreneurs (TYE)	International	14–18 Years	Team	★★★★☆	Entrepreneurship	Startup ecosystem & mentoring	https://events.tie.org/TiEYoungEntrepreneursProgramTYE2026-27
Atal Tinkering Marathon	National	6–18 Years	Team	★★★☆☆	Entrepreneurship	Prototype development & innovation	https://innovateindia.mygov.in/atl-marathon-2022/
Youth Ideathon	National	6–18 Years	Individual / Team	★★★☆☆	Entrepreneurship	Student innovation & startup ideas	https://youthideathon.in
Wadhwani Ignite	National	6–24 Years	Individual / Team	★★★☆☆	Entrepreneurship	Entrepreneurial mindset & venture creation	https://wadhwanifoundation.org

Disclaimer: Informational list only; 10xTechClub does not endorse these competitions. Verify all details on official websites.

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
Startup India School Innovation Programme (SISIP)	National	6–18 Years	Individual / Team	★★☆☆☆	Entrepreneurship	Innovation & startup exposure	https://www.startupindia.gov.in
Junior Achievement Company Program	International	14–18 Years	Team	★★★☆☆	Entrepreneurship	Business creation & financial literacy	https://ja.org
Shark Tank India - Young Founders	National	6–15 Years	Individual / Team	★★★★☆	Entrepreneurship	Startup ideas & entrepreneurship	https://oll.co/shark-tank-india-season-6-young-founders-special

Space & Astronomy 18 competitions

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
ISRO Young Scientist Programme (YUVIKA)	National	Grade 9 & Above (14 Years & Above)	Individual	★★☆☆☆	Space & Astronomy	Introduction to space science	https://jigyasa.iirs.gov.in/yuvika
IN-SPACe CanSat India Competition	National	6–24 Years	Team	★★★★☆	Space & Astronomy	Satellite systems & aerospace engineering	https://www.inspace.gov.in/inspace?id=cansat_model_rocketry_2026
IN-SPACe Model Rocketry Challenge	National	6–24 Years	Team	★★★☆☆	Space & Astronomy	Rocket design & propulsion	https://www.inspace.gov.in
ISRO Robotics Challenge (IRoC-U)	National	18–24 Years	Team	★★★★★	Space & Astronomy	Space robotics & autonomous systems	https://www.isro.gov.in
Bharatiya Antariksh Hackathon	National	18–24 Years	Team	★★★★☆	Space & Astronomy	Space technology & software	https://hack2skill.com/event/bah2026/
NASA Human Exploration Rover Challenge	International	14–22 Years	Team	★★★★★	Space & Astronomy	Rover design & engineering	https://nasa.gov/learning-resources/nasa-human-exploration-rover-challenge/
NASA App Development Challenge	International	6–18 Years	Team	★★★☆☆	Space & Astronomy	Space app development	https://nasa.gov/learning-resources/app-development-challenge/
NASA Space Apps Challenge	International	Open to all	Team	★★★☆☆	Space & Astronomy	Open innovation using NASA data	https://www.spaceappschallenge.org
NASA Student Launch	International	14–22 Years	Team	★★★★★	Space & Astronomy	Rocket engineering	https://nasa.gov/learning-resources/nasa-student-launch/
NASA Lunabotics Challenge	International	18–22 Years	Team	★★★★★	Space & Astronomy	Lunar robotics & excavation	https://nasa.gov/learning-resources/lunabotics-challenge/
Conrad Challenge (Aerospace & Aviation Category)	International	13–18 Years	Team	★★★★☆	Space & Astronomy	Aerospace innovation	https://conrad.spacecenter.org/aerospace-and-aviation/

Disclaimer: Informational list only; 10xTechClub does not endorse these competitions. Verify all details on official websites.

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
International Astronomy & Astrophysics Competition (IAAC)	International	6–18 Years	Individual	★★★☆☆	Space & Astronomy	Astronomy & astrophysics	https://iaac.space
International Olympiad on Astronomy & Astrophysics (IOAA)	International	14–18 Years	Individual	★★★★★	Space & Astronomy	Elite astronomy pathway	https://ioaastrophysics.org
CanSat Competition (Various International Editions)	International	6–22 Years	Team	★★★★☆	Space & Astronomy	Satellite design & systems engineering	https://cansatcompetition.com
Space Settlement Design Competition	International	14–18 Years	Team	★★★★☆	Space & Astronomy	Space habitats & engineering design	https://aerospaceeducationcompetitions.org/
European CanSat Competition (ESA)	International	14–18 Years	Team	★★★★☆	Space & Astronomy	Satellite mission design	https://esa.int
NASA TechRise Student Challenge	International	11–18 Years	Team	★★★☆☆	Space & Astronomy	Flight experiments	https://usa.gov/challenges/nasa-techrise-student-challenge
Genes in Space	International	Grades 7–12 (12–18 Years)	Individual / Team	★★★☆☆	Space & Astronomy	Space biology research	https://genesinspace.org

Drones & Autonomous Systems 10 competitions

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
NIDAR 2026-27 (National Innovation in Drone Application & Research)	National	Open to all	Team	★★★☆☆	Drones & Autonomous Systems	Drone piloting & innovation	https://nidar.org.in
SAE Aero Design	International	18–22 Years	Team	★★★★★	Drones & Autonomous Systems	Aircraft & UAV engineering	https://saeaerodesign.com
SUAS – Student Unmanned Aerial Systems Competition	International	18–22 Years	Team	★★★★★	Drones & Autonomous Systems	Autonomous UAV missions	https://suas-competition.org
AUVSI SUAS	International	18–22 Years	Team	★★★★★	Drones & Autonomous Systems	AI, vision & autonomous drones	https://auvsi.org
IARC Mission Challenges	International	18–22 Years	Team	★★★★★	Drones & Autonomous Systems	Advanced autonomous flight	http://aerialroboticscompetition.org
FAI World Drone Racing Championship	International	Open to all	Individual	★★★★☆	Drones & Autonomous Systems	Competitive drone racing	https://fai.org
MultiGP Drone Racing	International	Open to all	Individual	★★★☆☆	Drones & Autonomous Systems	FPV drone racing	https://multigp.com
WorldSkills – Drone Technology	International	16 Years & Above	Individual / Team	★★★★☆	Drones & Autonomous Systems	Professional drone skills	https://worldskills.org
Drone Federation of India Challenges	National	6–24 Years	Individual / Team	★★★☆☆	Drones & Autonomous Systems	Drone innovation & applications	https://dronefederation.in

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
SAEINDIA AeroTHON	National	18–22 Years	Team	★★★★☆	Drones & Autonomous Systems	Uncrewed aircraft system design, build & fly	https://saeindia.org/aerothon2026

Game Development & Interactive Technology 18 competitions

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
Global Game Jam	International	18 Years & Above	Team	★★★☆☆	Game Development & Interactive Technology	Collaborative game development	https://globalgamejam.org/becoming-jammer
Brackeys Game Jam	International	Open to all	Individual / Team	★☆☆☆☆	Game Development & Interactive Technology	Unity game development	https://itch.io/jam/brackeys-15
Ludum Dare	International	Open to all	Individual / Team	★★★☆☆	Game Development & Interactive Technology	Rapid game development	https://ldjam.com
GMTK Game Jam (Game Maker's Toolkit)	International	Open to all	Individual / Team	★★★☆☆	Game Development & Interactive Technology	Game mechanics & design	https://itch.io/jam/gmtk-jam-2026
Epic MegaJam	International	18 Years & Above	Team	★★★★★	Game Development & Interactive Technology	Unreal Engine game development	https://unrealengine.com/news/2026-epic-ai-megajam
Godot Wild Jam	International	Open to all	Individual / Team	★★★☆☆	Game Development & Interactive Technology	Godot game development	https://godotwildjam.com
Buildbox Game Jam	International	13 Years & Above	Individual	★☆☆☆☆	Game Development & Interactive Technology	No-code game development	https://buildbox.com
Pirate Software Game Jam	International	Open to all	Individual / Team	★★★☆☆	Game Development & Interactive Technology	Indie game development	https://itch.io/jam/pirate
Games for Change Student Challenge	International	11–18 Years	Team	★★★☆☆	Game Development & Interactive Technology	Educational & social impact games	https://gamesforchange.org

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
Roblox Student Challenges	International	9–14 Years	Individual / Team	★☆☆☆☆	Game Development & Interactive Technology	Roblox game creation	https://create.roblox.com
Minecraft Education Build Challenge	International	6–18 Years	Individual / Team	★☆☆☆☆	Game Development & Interactive Technology	Creative world building	https://education.minecraft.net
Unity Student Challenges	International	16 Years & Above	Individual / Team	★★☆☆☆	Game Development & Interactive Technology	Unity development & C#	https://unity.com
Unreal Engine Student Challenges	International	13 Years & Above	Individual / Team	★★★★☆	Game Development & Interactive Technology	Unreal Engine & 3D development	https://unrealengine.com
Ubisoft Game Lab Competition	International	18–22 Years	Team	★★★★★	Game Development & Interactive Technology	AAA game design	https://montreal.ubisoft.com/en/our-commitments/education/game-lab-competition/
IGDA Student Game Showcase	International	18–22 Years	Individual / Team	★★★★☆	Game Development & Interactive Technology	Student game portfolio	https://igda.org
IndieCade Student Competition	International	14–22 Years	Individual / Team	★★★☆☆	Game Development & Interactive Technology	Independent game development	https://www.indiecade.com
DreamHack Game Development Competitions	International	13 Years & Above	Individual / Team	★★★☆☆	Game Development & Interactive Technology	Game creation & esports innovation	https://dreamhack.com
Student Game Showcase (IGF)	International	18–22 Years	Individual / Team	★★★★☆	Game Development & Interactive Technology	Independent game development	https://igf.com

National & Academic Competitions 15 competitions

Competition	Scope	Age/Grade	Format	Difficulty Level	Domain	Focus	Official website
Smart India Hackathon	National	18–24 Years	Team	★★★★☆	National & Academic Competitions	Software & hardware innovation	https://ggits.org/sih_26
Toycathon	National	6–24 Years	Team	★★★☆☆	National & Academic Competitions	Toy design & gamification	https://unstop.com/hackathons/toycathon-2026-marathwada-mitra-mandals-college-of-engineering-mmcoe-pune-1637129
Kavach Hackathon	National	18–24 Years	Team	★★★★★	National & Academic Competitions	Cybersecurity & digital defence	https://unstop.com/hackathons/cyberkavach-2025-ideaexpo-pimpri-chinchwad-college-of-engineering-pccoe-pune-1560074
Atal Tinkering Marathon	National	6–18 Years	Team	★★★☆☆	National & Academic Competitions	Student innovation	https://innovateindia.mygov.in/atl-marathon-2022/
Atal Tinkering Marathon	National	6–18 Years	Team	★★★☆☆	National & Academic Competitions	Problem solving & prototyping	https://innovateindia.mygov.in/atl-marathon-2022/
INSPIRE Awards – MANAK	National	Grades 6–10 (11–16 Years)	Individual	★★☆☆☆	National & Academic Competitions	Scientific innovation	https://inspireawards-dst.gov.in
Startup India School Innovation Programme (SISIP)	National	6–18 Years	Individual / Team	★★☆☆☆	National & Academic Competitions	Startup ecosystem	https://www.startupindia.gov.in
Youth Ideathon	National	6–18 Years	Individual / Team	★★★☆☆	National & Academic Competitions	Business ideas & innovation	https://youthideathon.in

Your Journey Beyond Competitions Starts Here

Every great innovator starts with curiosity, but turning that curiosity into something real takes the right skills, guidance, and opportunities to experiment.

At 10xTechClub, you can take your passion for technology further through hands-on learning programs in Robotics, Artificial Intelligence (AI), Coding, Python, Electronics, IoT, Embedded Systems, 3D Design & Printing, SpaceTech, and more. Through project-based learning, mentor guidance, and opportunities to build real-world solutions, you can move beyond learning concepts to creating innovations of your own.

Don’t just participate in the future. Build it.
